WILDERNIS

HOME OF THE

Espresso Martini

THE CLASSIC - 16

Don't mess with the classic. Fresh pressed house espresso, triple distilled vodka and coffee liqueur will bring contentment to those who like to stay pure.

DIRTY CHAI FUEGO - 16

No longer just a way to start your day. Canadian Fireball whisky takes your morning chai latte to the next level with coffee liqueur and fresh pressed house espresso that will keep your spirits high.

SALTY SEA DOG - 16

For the caramel enthusiast inside all of us. Salted Caramel infused vodka, fresh pressed house espresso, coffee liqueur and caramel syrup.

IRISH KISS - 16

One thing the Irish have figured out is their drink. Jameson Irish Whisky, Baileys Irish Cream, Sirup de monin and fresh pressed house espresso will give you one more reason to kiss an Irishman (or woman).

COCONUT ESPRESSO - 16

Coconut and Coffee, who knew. Malibu Caribbean coconut rum, triple distilled vodka, coffee liqueur, coconut puree and our fresh pressed house espresso. Trust me, I'm a doctor.

HOUSE COCKTAIL - 12

Start with house steeped lemongrass and ginger tea, sweetened with Byron Bay honey. Then blend it delicately with triple distilled vodka and peach schnappes and a dash of mint bitters.

PASSIONFRUIT MOJITO - 17

Fresh, fragrant and full of flavour. Bacardi superior, mint and lime with an infusion of passionfruit gives you a refreshing twist on the classic.

CRANBERRY LYCHEE MARTINI - 17

A chance to step away from the basic. Triple distilled vodka, lychee liqueur, lychee syrup and cranberry is definitely not your big sisters' Vodka-Cran.

ONCE UPON A TIME IN MEXICO - 17

A margarita by any other name. Start with the fundamental Tequila Blanco, Cointreau and lime; then bring in layers of Blueberry and vanilla for depth and complexity.

GIN MAGNOLIA - 17

What is life without a little spice. London Dry Gin, lemon, orange liqueur, cucumber and fresh chilli.

COWGIRL IN THE SAND - 17

Our silky smooth country bourbon sour with Amaretto liqueur, fresh citrus and egg whites. It's sunshine in a glass.

ROSARIO - 17

Fragrant Rosemary herbs, triple distilled vodka, Chambord, peach liqueur and cranberry all rounded off a generous dash of orange bitters.

FLAVOUR OF THE WEEK - 17

A weekly cocktail creation. Ask your waiter.
